Sam,
Can you help me out here regarding a discussion/listening session with RRC and TCEQ (my original message in below).
Thanks,

Sam relayed that request at the June 23 senior staff meeting. I believe he had met with Richard Hyde and Milton Rister in Austin the Friday before that, and they made the request to Sam.

They didn't contact us. I thought Bill brought it back.

David,

It was brought to my attention that the Tx Railroad Commission and TCEQ wanted to have a discussion-listening session regarding the WOTUS.

Ellen Gilinsky and Travis Loop are travelling to Texas July 15-16.

Who at these agencies contacted the Region? Are they interested in Ron only? Or would someone from DC be ok?

Please let me know your thoughts and suggestions?

Thanks,
